

M&A advisory built for the lower middle market.

Salt Creek Advisory helps private equity firms, independent sponsors, and business owners find, evaluate, and execute the right transactions. Relationship-first, refreshingly fast, and built around the people on both sides of the deal.

FOCUS

WHAT WE DO

Sell-Side Advisory

Positioning, process, and execution for owners evaluating a sale, recapitalization, or growth partner.

Buy-Side Sourcing

Targeted origination and direct outreach for PE firms and sponsors, mapped to your investment thesis.

Proprietary Deal Flow

Off-market opportunities surfaced through our network before they ever hit a process.

Valuation & Market Perspective

Real-time buyer appetite and valuation insight to ground decisions on both sides of the table.

We also run AI and workflow assessments for owners preparing their business for a transaction.

IDEAL DEAL PROFILE

- **Founder- and family-owned businesses** with durable operations and clear value drivers
- **Midwest and Southeast focused**
- **\$2M-\$75M in revenue** and **\$1M-\$5M in EBITDA**
- **On-market and off-market opportunities**
- **Owners evaluating** a sale, recap, or growth partner
- **Good people.** What goes around comes around

SECTOR FOCUS

Early Childhood Education

Our deepest sector: schools, platforms, and add-on acquisitions.

Business Services

Platforms with recurring relationships and sticky revenue.

Environmental Services

Compliance-driven demand and active consolidation.

Industrials

Distribution, manufacturing, and industrial services.

WHY SALT CREEK

Two brothers, one firm

Founded by Jack and Connor Pitts. You work directly with us on every engagement.

We move fast

Direct answers in days, not months. No layers, no committees, no runaround.

Real-time market read

Current buyer appetite and valuation perspective, not last year's comps.

Selective by design

Few engagements at a time, so every one gets real attention.
